Most valuable takeaway (What did you find most valuable about this workshop?) *

The mock exams that were prepared for us

Suggestions for improvement (What could make future workshops better?) *

A slight improvement of how the content will be taught before hand would help a lot . Also please make the mock exams a bit more difficult, that way it aligns with the requirements of the actual exam

You guys were very kind , which is always a plus. The game to start of the session isn't very necessary. To save time , it could be a display and explain. This will open up more time for more difficult sections
